Friday 25th June 2021

What have we been up to?

Following the disappointment that the most recent government announcement has meant regarding restricting parent access to school, we felt that it would be great to share with you some pictures of what the children have been up to!

Class One

We're playing like dinosaurs like to play!

We've been 'free writing'!

We've been writing questions to the dinosaurs!

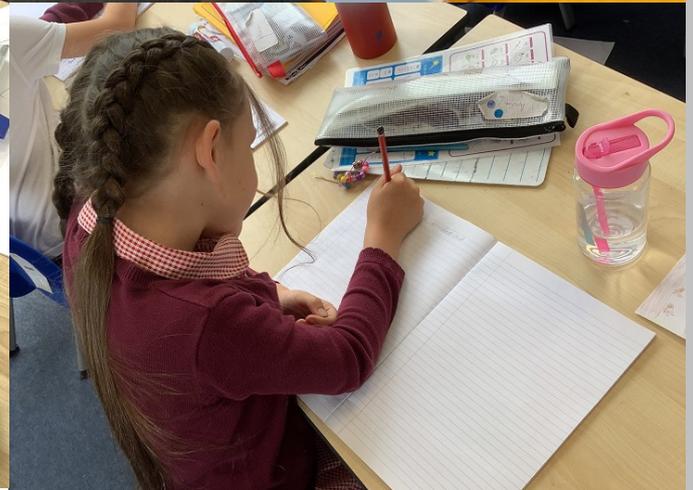

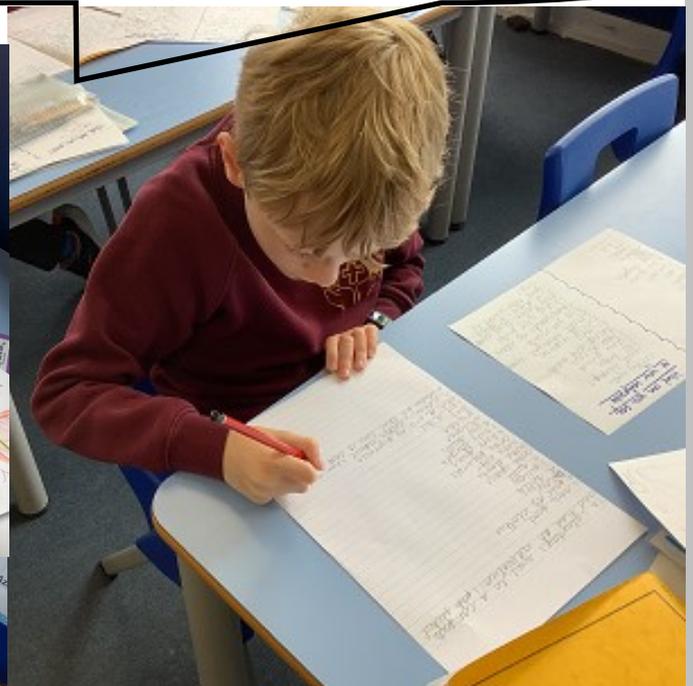

(Mr Williams' favourite was 'what toys did you play with')

Class Two

We've been doing some beautiful writing about going on a camp, showing all of the wonderful skills we've developed this year!

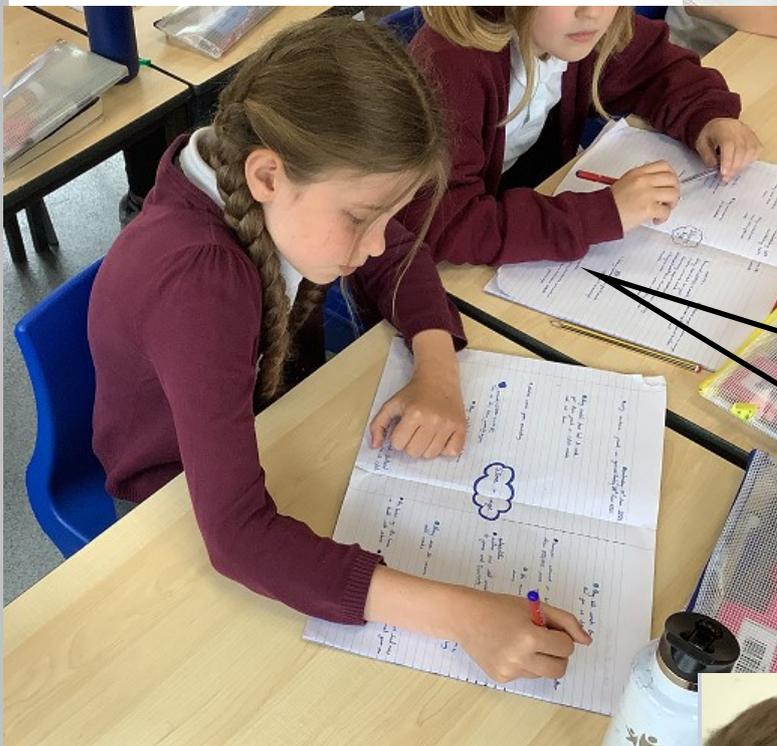

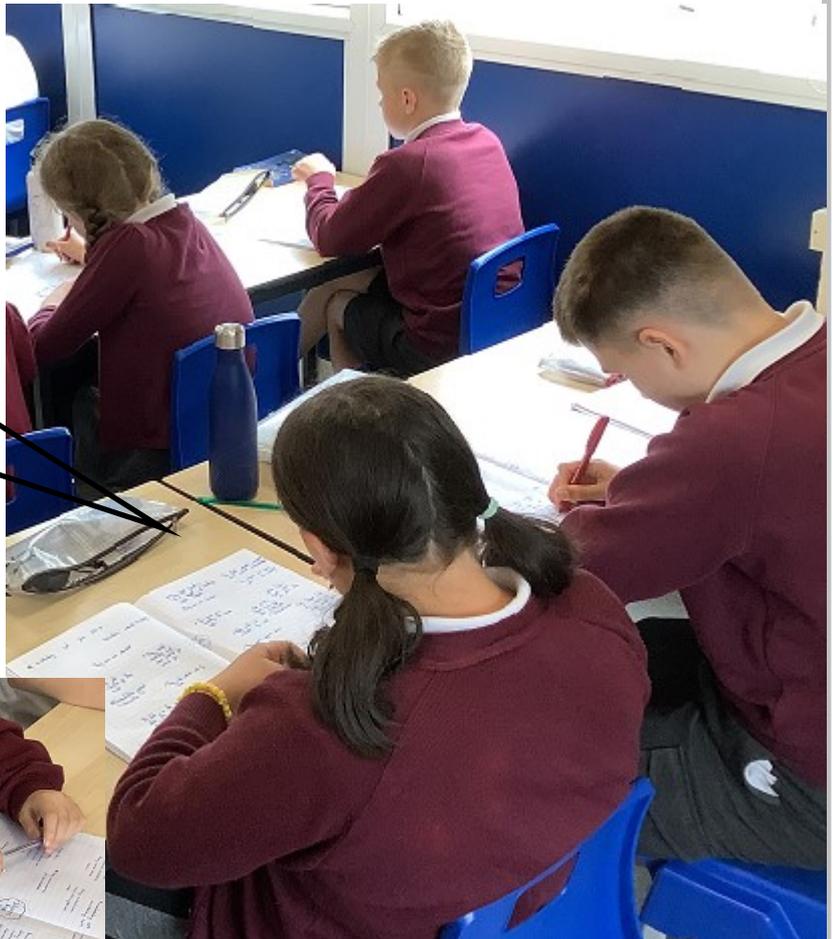

Class Three

We had our camp!

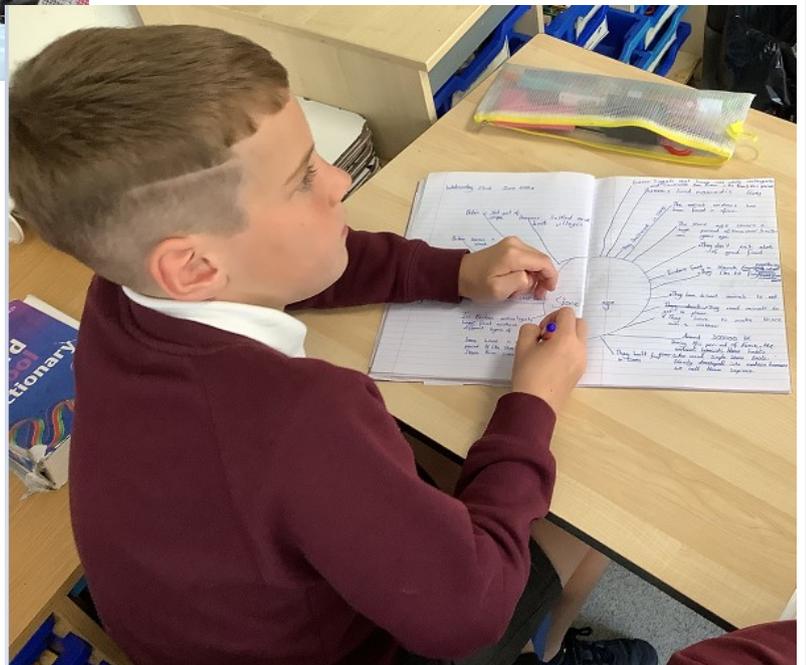

Class Four

We've been learning about Stone Age using a concept map to show what we already know

I'm looking forward to finding more out about The Stone Age

Would you like to support our children with their learning?

If you have any available time in the afternoon's, we're always looking for volunteers to come and work with our children. They'd love to have more adults to read to and they'd love to see even more friendly faces in school.

We can make sure we offer you some great resources and a supportive staff team to ensure the children get an amazing experience from your generosity.

If you are interested, either for the remainder of this year, or looking ahead to

September, please contact Mrs Watson on the email below, or phone the school office.

money | make £5 grow

Money Project

Class 4 have been embarking on an entrepreneurial journey of learning where they are tasking with 'making £5 grow'. They've worked in small groups to formulate a business plan, complete market research, create an advertising campaign and are now currently working on bringing their products to market.

We had planned to sell out products to the school community on Thursday 24th June & Friday 25th June between 3:30pm and 4pm.

However following last Monday's announcement and the impact on school restrictions, this will no longer be possible.

Therefore, we've had to change how we will be selling the products.

Further information on this will follow through email .

IMPORTANT DATES

A busy end to the year!

With the change to restrictions not easing as swiftly as we had hoped, we've had to make some changes to our proposed events. Below is an outline of how the important dates in the Summer Term will work.

- * **Friday 9th July: Sports Day!** We are no longer able to invite parents to be part of this event due to the current restrictions on schools which inform our Risk Assessment. Photos and videos of the event will be shared via email.
- * **Friday 9th July: End of Year Reports released to parents.** No formal appointments are made in conjunction with the report. However, if you would like to further discuss the contents of the report, please fill in the reply slip which is on the report and outline if your preference would be for a Zoom meeting or a phone call. A member of staff will then be in touch to organize this.
- * **WB 12th July: Arts Week!** Children will still be able to access a range of learning experiences via a rotation each afternoon that week. However, our proposed celebration afternoon where we were inviting parents in will unfortunately not be able to happen. We will be hoping to take photos and share their achievements via the newsletter.
- * **Wednesday 21st & Thursday 22nd July: Transition Move Up Days.** This will still be happening and children will be able to enjoy two days with their new class teachers (unless there are further complications regarding restrictions where we will reorganize this. The children will however have some transition with their new teacher, regardless).
- * **Friday 23rd July: Year 6 Leavers Assembly & Last Day of Term.** Again, as things stand, this event will still take place. Current plans are that it will be held in the hall with all classes and two parents from each child permissible to attend.
- * **Monday 26th July: Summer Holidays Start!**

**The Friends of Kenn Church of
England Primary School**

Registered charity no: 1047664

Money raised goes towards
enhancing your child's experience at
Kenn Primary School - funding trips,
visits, activities, learning resources
and much more.

Thank you for your continued
support and generosity.

Our News

We want to keep you as up-to-date and in-the-loop as we can when it comes to fund-raising, events and activities - so look out for this section of the newsletter each week to see how you can get involved and to learn a bit more about how we spend funds raised.

Supporting Music

We are pleased to report that, following a request by the fabulous Mrs Lunn, 20 shiny new glockenspiels, worth over £400 have been delivered to the school. These instruments will be enjoyed by all classes for years to come and we look forward to seeing/hearing them in action at future concerts!

Leavers' Hoodies

We donated £100 towards the cost of the year 6 leavers' hoodies. Lots of the leavers have been wearing them - they look brilliant and we wish the leavers all the very best for their futures.

Fridays = Treats

Don't forget each Friday outside of the school gates we will be selling ice lollies (and possibly other treats if the weather isn't playing ball) so remember your pennies at pick-up!

Being on time

We understand that mornings can be busy in households, however we need children to arrive to school on time. The **gate is open at 08:45** when children are encouraged to come in.

Just 10 minutes late a few times per week collates to a lot of lost learning time over an academic year.

Water bottles

Please remember that children still need a water bottle. This can be kept in school over the week and taken home at the weekend to be washed. It is rinsed in school at the end of each day.

Notices

Sun Protection!

Now that summer finally seems to have arrived, please can we remind you about sun protection. The children will need a vessel in school every day to drink from. They may also benefit from a sun hat or sun glasses and/or sun cream application before school. While we cannot apply suncream to the children in school, we can support them to use it independently if some which use at

they have they wish to lunchtime.

Take care in the sun

Osprey
Trust

Teaching
Grade C

Vacancy for a
Teaching

Learning

Assistant

temporary grade C
Assistant,

8 hours per week
To start 1st September 2021

To be employed by the Osprey Learning Trust, based 1 1/2 days per week (Monday + 1 afternoon) at Kenton Primary School, Mamhead Road, Kenton, Exeter EX6 8LX (Roll: 98).

This role will include the supervision, care and support of children and the teaching of groups of child, including some with Special Educational Needs. We are looking to appoint someone with experience, who is enthusiastic and caring towards the children in our school. The role is temporary for 1 year linked to a temporary change of role for the existing post holder.

A DBS disclosure is required for this post.

Hours - 9.00am-12.00 and 1.00pm – 3.30pm Monday and 1 other afternoon by negotiation

Pay – Teaching Assistant C Grade is SP 4 – SP 6 (£9.81 - £10.21 per hour) depending on experience.

You should:

- Be able to build a strong, appropriate rapport with children.
- Demonstrate the aptitude to work as part of a successful team.
- Prepare for, supervise and work with individuals and groups of children, following the instructions given by the Class Teacher.
- Have a good understanding of how to support children with additional needs.
- Have a strong commitment to team working and a willingness to become a member of a highly motivated whole school team.
- To be able to adapt and work using own initiative where required, responding to the needs of the children.
- Have a commitment to child led learning.

"We are committed to safeguarding and promoting the welfare of children and young people and expect all staff and volunteers to share this commitment."

Application form available from the Senior Administrator, Pam Moseley, email admin@kennandkenton.devon.sch.uk, by collection from Kenton Primary School office or by sending a large A4 size SAE please. Closing Date: Monday 5th July 2021.
